RE: Surety  
Spectrum Quarry  
Millard County, Utah  
ACT/027/003

Dear Mr. Cheney:

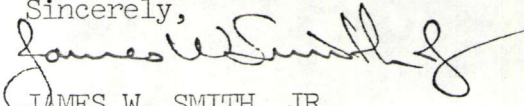

The Division of Oil, Gas, and Mining has received no adverse public comment as a result of publishing the abbreviated version of Sapphire Corporation's mining and reclamation plan for the Spectrum Quarry in Millard County. The required thirty day waiting period is now over.

Upon receipt of the fully executed Escrow Agreement Forms and proof of deposit for reclamation surety, the Division will be able to issue final approval.

Please be advised that the monthly meeting of the Board of Oil, Gas, and Mining will be held on May 23rd. Therefore, if final approval is to be granted this month, the above must be received prior to that date to obtain the Board's signature.

Your prompt attention in this matter will avoid further delays. If you have any questions please feel free to call.

Sincerely,

  
JAMES W. SMITH, JR.  
RECLAMATION SOILS SPECIALIST
